Requirements for travel to Brazil:

- US citizens require a passport (valid for at least six months upon arrival in Brazil) and a Brazilian Visa to enter Brazil. It is the passenger's responsibility to secure this and any other required documentation. Citizens of other countries should check with their nearest Brazilian Consulate for requirements.

Insurance:

- Brazil Nuts Tours strongly recommends that all passengers purchase travel insurance that will, in the least, cover the basic cost of the tour. We recommend AccessAmerica travel protection which offers a wide range of insurance options.
